Why go to Church?

A Church goer wrote a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday.

'I've gone for 30 years now,' he wrote, 'and in that time I have heard something like 3,000 sermons. But for the life of me, I can't remember a single one of them. So, I think I'm wasting my time and the pastors are wasting theirs by giving sermons at all.'

This started a real controversy in the 'Letters to the Editor' column, much to the delight of the editor. It went on for weeks until someone wrote this clincher:

'I've been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals. But I do know this.. They all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today. Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!' When you are DOWN to nothing.... God is UP to something! Faith sees the invisible, believes the incredible and receives the impossible! Thank God for our physical AND our spiritual nourishment!

EVER WONDER WHAT WOULD HAPPEN IF WE TREATED OUR BIBLE LIKE WE TREAT OUR CELL PHONE?

- What if we carried it around in our purses or pockets?
- What if we flipped through it several times a day?
- What if we turned back to go get it if we forgot it?
- What if we used it to receive messages from the text?
- What if we treated it like we couldn't live without it?
- What if we gave it to Kids as gifts?
- What if we used it when we traveled?
- What if we used it in case of emergency?

This is something to make you go.....hmm.....where is my Bible?

Oh, and one more thing.

Unlike our cell phone, we don't have to worry about our Bible being disconnected because Jesus already paid the bill.

Makes you stop and think 'where are my precious scriptures I've dropped calls!'
