**God's mercy ... goes before the unwilling to make him willing; it follows the willing to make his will effectual.**

*Augustine of Hippo, Handbook on Faith, Hope, and Love.*

When Billy Graham was driving through a small southern town, he was stopped by a policeman and charged with speeding. Graham admitted his guilt, but was told by the officer that he would have to appear in court.

The judge asked, "Guilty, or not guilty?" When Graham pleaded guilty, the judge replied, "That'll be ten dollars -- a dollar for every mile you went over the limit."

Suddenly the judge recognized the famous minister. "You have violated the law," he said. "The fine must be paid--but I am going to pay it for you." He took a ten dollar bill from his own wallet, attached it to the ticket, and then took Graham out and bought him a steak dinner! "That," said Billy Graham, "is how God treats repentant sinners!"

# GRACE

Watching a trapeze show is breathtaking. We wonder at the dexterity and timing. We gasp at near-misses. In most cases, there is a net underneath. When they fall, they jump up and bounce back to the trapeze. In Christ, we live on the trapeze. The whole world should be able to watch and say, "Look how they live, how they love one another. Look how well the husbands treat their wives. And aren't they the best workers in the factories and offices, the best neighbors, the best students?" That is to live on the trapeze, being a show to the world. What happens when we slip? The net is surely there. The blood of our Lord, Jesus Christ, has provided forgiveness for ALL our trespasses. Both the net and the ability to stay on the trapeze are works of God's grace. Of course, we cannot be continually sleeping on the net., If that is the case, I doubt whether that person is a trapezist.
